XNCW-30N - KOI WATER COLORS SKETCHBOX 30+BRUSH

Compact new pocket-sized box with watercolour paints with integrated support for both right- and left-handed use. Available in 30 assorted colours, Koi Water Brush (reusable brush), sponge and accessories; includes mixing tray in the lid.

Product benefits

- The extra big Koi Water Brush is simple and easy to use, the water reservoir ensures that the water flows to the tip of the brush.
- Colours are perfectly coordinated and mix well.
- Specially selected pigments.

Sales features

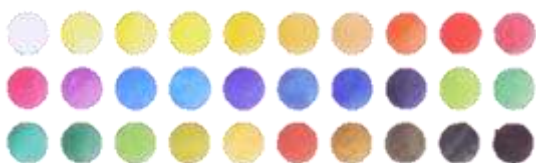

- Easy to use at home or when travelling, and to take with you in your handbag, computer case or backpack.
- Perfect for using in combination with other hobby products such as contour stickers and/or stamps.
- Produce beautiful results when used to make cards or decorations for photographs or scrapbooks.

Target group, suitable for age:

14+
